

Visual and Audible Combination
MS 5806 Led Multifunction 2X 43 Tone Siren

FEATURES

- Ø70mm warning light with high volume built-in buzzer in a vertical configuration
- Cone-shaped horn helps diffuse sound to generate clear and distinctive sound signals
- Suitable for applications that require downward audible signals in elevated locations
- 43 tone selectable via DIP switch
- Buzzer sound volume 70-120dB
- Volume adjustable via potentiometer on PCB
- LED reflector with multi-tiered design provides an even and clear illumination throughout the entire lens
- 10 Selectable LED Mods for maximum configuration
